

# INT-KLCDR-GR

LCD keypads are intended for daily operation of the **INTEGRA** systems. With the display showing text messages, even advanced functionalities of the alarm control unit are simple and convenient. In addition, with the built-in proximity card reader, the system can be used without a password.

- keypad and display backlight
- LEDs for system state indication
- keypad hold-down PANIC, FIRE and AUX alarms
- buzzer for acoustic signaling
- two zones expansion
- panel communication loss indication
- RS-232 for supervision and management applications
- **GUARDX**
- proximity card reader
